Other students in your school with name Peter Pretend

Student login: peter915 - in Kim Young's class

Cancel Add anyway

Adding student

Other students in your school with name Peter Pretend

Student login: peter915 - not in any class

Cancel Add anyway

If a student with the same name already exists at your school, be sure to enter a slightly different name, perhaps with their middle initial or a number, so that you can differentiate between duplicate student accounts.

i.e. enter Peter A. Pretend or Peter Pretend2.
