

Important
message from
your school!

Learning to read has never
been this much fun!

Help your child crack the reading code!

Over 100,000 children are
already learning to read with
Reading Eggs!

Dear Parents,

We are excited to announce that our school is using the Reading Eggs Early Literacy Program! Reading Eggs is a program designed to get your child motivated and excited about reading in both the school and home environment. Your child will be able to easily access this program in class, home, or anywhere with an Internet connection.

To be a part of your child's literacy development, gain access to important reporting tools, and track your child's progress sign up for a FREE trial. Simply go to the website and register yourself and your child using the home-school link code that has been provided by your child's teacher.

What is Reading Eggs?

Reading Eggs is full of educationally sound, fun and interactive activities that focus on the most fundamental skill needed in school: reading. The program makes learning phonics and basic reading skills a truly enjoyable experience. Children from 3 to 7 years of age, or older children who are struggling with reading, will enjoy the huge variety of reading lessons, activities and games that make up Reading Eggs.

Why your child needs Reading Eggs

Your child can get online at school and at home by using the home-school access link. Reading Eggs is homework that your child will want to do!

3-4 Years

First Steps

Your child can succeed at learning to read with Reading Eggs. The program is designed so that your child can take their first steps into reading and have fun at the same time! Completing the activities with your child is a great shared educational activity that will help develop positive attitudes towards reading and learning.

5 Years

Ready for School

Your child can learn online in a way that is consistent with how they will be taught at school. The team behind Reading Eggs have been creating successful reading materials for Australian schools for the last 12 years. All of this experience and knowledge has gone into designing the best online reading program. That's why 98% of teachers who have used Reading Eggs recommend the program to other teachers.

6-7 Years

Fun Practice Makes Perfect

Your child can take a placement test to ensure they are working at a level that matches their reading ability. The program is excellent for older children who need more practice to increase their reading speed and comprehension. Reading Eggs also develops key skills in spelling, vocabulary and grammar. There are new options for older children in the Reading Eggs World, including the Story Factory where children can write their own stories and enter them in weekly online contests.
