

My Lessons

This is the heart of Reading Eggs – **120 reading lessons** that travel through 12 exciting maps. Your child can repeat lessons to reinforce essential reading skills.

My World

My World is a world full of fun where your child can visit 10 destinations. My World is available after completion of lesson 30.

My House

Your child can change the appearance of their avatar, play arcade games, read Story Factory stories they have written and view their awards and critters. Your child can decorate their house with their purchases from Reggie's shop.

Skills Bank

The Skills Bank includes **96 carefully graded spelling lessons** to develop your child's spelling skills in a progressive sequence. Each lesson focuses on a 12 word spelling list.

Driving Test Centre

This section consists of **45 tests covering sight words, phonics skills and content-area vocabulary**. When your child gets enough questions correct, they are rewarded with a racing car game.

Puzzle Park

Your child can complete **32 word puzzles** that develop a range of reading skills.

Eggy Bank

Your child can earn Golden Eggs by completing activities. These Eggs can be used in the Arcade and Reggie's Shop.

The Playroom

Includes **over 170 activities and books**. This virtual playroom is where young children can play with music, pictures, puzzles and much more.

My Avatar

Children can create their own unique online character with customized features and accessories.

My Stuff

Children can view their certificates and their collection of cute critters earned for completing lessons.

Arcade

Contains **24 fun arcade games** that your child can play using their golden eggs.

Reggie's Store

Your child can change the look of their avatar and house by purchasing accessories with their golden eggs.

Storylands

Storylands contains **20 lessons, 140 activities, 20 wonderful books and heaps of rewards!** Perfect for the child who has mastered their Reading Eggs lessons and is able to read short books. Storylands tests many of the reading and comprehension skills needed for school.

Music Cafe

The Music Café brings together **62 Reading Eggs songs** in one central location. Your child can sing, dance and enjoy songs from their favorite lessons and characters.

Story Factory

The Story Factory provides a **step-by-step guide to writing a story**. Your child can choose their own illustrations and access word and sentence suggestions to help write their story. They can also enter a weekly story writing competition.

Floating Island

Reading Eggspress makes reading real books, improving spelling skills and building reading comprehension highly engaging for **7 to 13 year olds**. The floating island has 4 different quadrants packed full of great online activities, books and games to help your child become a confident reader.

My Progress

A comprehensive dashboard details your child's progress, including how many activities they've played, their percentage of correct answers, books they've read and rewards earned.

My Targets

You can track the individual achievements and learning milestones your child has accomplished, those they are still aiming to achieve, and view their overall level of achievement.

Changing Room

Your child can customize their personal avatar with the ability to choose eyes, hair, clothes and a range of accessories.

Comprehension Gym

The **Comprehension Gym** has **200 interactive lessons** for your child to enjoy. Lessons cover school years 2 to 6 and develop comprehension and vocabulary skills. Each lesson ends with a 16 question quiz that assesses factual, inferential and textual understanding.

The Stadium

Your child can compete in real-time against students from around the world with four exciting contests. Each contest develops skills in one of four core literacy areas – **spelling, vocabulary, usage and grammar**.

Apartment and Mall

At the Mall your child can use golden eggs to buy clothing for their avatar and furniture for their Apartment. They can also purchase arcade games and trading cards.

The Library

The **Library** contains over **1000 e-books** including illustrated chapter books, full color nonfiction books and a range of classic titles. Each title has a comprehension quiz to assess understanding. Your child can also read on the go with the full Library of more than 1000 titles accessible on iPad.
